
ALPHA OMEGA EPSILON EPSILON NATIONAL FOUNDATION

MISSION

The Foundation is a non-profit 501(c)(3) organization that invests in women's futures in the fields of engineering and technical science by:

- Supporting academic achievement including student scholarships;
- Offering volunteer and leadership opportunities within the Foundation;
- Awarding organizational grants to qualified programs including professional and leadership development.

“Girl Scout Day” Grant Recipient, where college students helped Girl Scouts build popsicle stick bridges, make circuits out of paper, and learn about biology and conservation.

OUR GRANTS

The Foundation sponsors activities administered by organizations and individuals that provide educational opportunities for women in engineering and technical sciences. Grants are awarded in varying amounts depending on the project. Recipients are required to write a follow-up report describing the project and detailing how the funds were spent.

HOW TO DONATE?

It's as easy as making your tax deductible donation on our website or directly through a check made payable to:

A.O.E. National Foundation
540 N Dearborn St.
P.O. Box 10067
Chicago, IL 60610-10067

OUR SCHOLARSHIPS

The A.O.E. National Foundation awards scholarships on a yearly basis, with the number of scholarships awarded each year dependent upon donations received. In 2024, we awarded \$14,000 in scholarships to 15 recipients.

Standards for selection include promotion of engineering and technical science, character, conduct and integrity, academic achievement and scholastic aptitude, as well as community involvement and extracurricular activities. Applicants must be undergraduate student enrolled in or accepted for enrollment in a college or university accredited by ABET (Accreditation Board of Engineering and Technology).

The final selection of scholarship recipients is made by an independent judging panel consisting of representatives from the field of education and/or engineering and science professions who have been selected by the Board of Directors.

The scholarships are tax-exempt, made payable directly to the school of the recipient, and can only be used for tuition, fees, books, course materials, course supplies, or other items directly connected to education. (Winners must sign a Scholarship Recipient Agreement which describe the guidelines the recipient must uphold).

WHY DONATE?

As a corporation who benefits directly or indirectly from the recruitment and retention of strongly technical women with high levels of leadership and integrity, you recognize the importance and continuing value of supporting and encouraging women in engineering and technical science disciplines.

By providing financial funding to support the Corporate Scholarship program, your company will:

- Promote the welfare and interest of engineering and science professions.
- Enhance educational achievements and scholarship of women in these fields.
- Help develop the highest standards of personal integrity and character in women.

TESTIMONIALS

Receiving this scholarship not only brings immense support to me and my family, allowing me to fully immerse myself in my studies and pursue my passion for Electrical Engineering & Computer Science. The scholarship opens doors that would otherwise have remained closed, empowering me to reach for my dreams without the constant worry of financial constraints.

- Angelina Xu, MIT

I would like to extend my heartfelt appreciation to the Alpha Omega Epsilon National Foundation for believing in my potential. Your support will not only help me achieve my educational goals, but will also motivate me to work even harder, as I strive to make a difference in the field of biomedical engineering and advocate for women in STEM.

- Eva Bowen, University of Miami

I understand the immense responsibility that comes with this scholarship, and I assure you that I will make the most of this opportunity. I am committed to maintaining a high standard of academic performance and to giving back to my community in meaningful ways. Please convey my gratitude to all those involved in the scholarship selection process and share my sincere appreciation with the individuals who contribute to the success of your organization.

- Ayah Jaber, Florida Atlantic University

SPONSORSHIP TIERS

PEARL (\$500 - \$999)

- Inclusion in the annual Alpha Omega Epsilon National Foundation newsletter, submitted to over 7,000 active and alum members

SAPPHIRE (\$1,000 - \$2,499)

The benefits of Pearl Sponsorship, plus:

- Inclusion on the Alpha Omega Epsilon National Foundation website as a sponsor

DIAMOND (\$2,500+)

The benefits of Pearl and Sapphire Sponsorship, plus:

- Highlights on social media, including mentions during Alpha Omega Epsilon National Foundation events
